Dear Friends,

Addison, Barry and I can't thank you enough for your participation in 21 Baker Road. It was a great experience for us and we learned a lot. You are all very talented. The interest in the show has been good and we hope to take the next step with a workshop production soon. It's a matter of putting together some funding and making the necessary changes in the script.

Enclosed are three DVDS and an audio CD. The audio CD is from the NPR show. The first DVD is a collection of some audio wave files from the rehearsal process, the dress and the show from the Troutt. You can play these on your computer or use them to make MP3's. The second DVD has video files from the NPR show and some rehearsal. The third DVD is the show itself. We hope you will enjoy having these.

Please stay in touch.

Peace,
Jim

MATTHEW,
YOUR TALENT IS LARGE BUT
YOUR SPIRIT IS BIGGER.
WELCOME TO THE THEATER.
